

Worksheet Biological Confetti

What do you need?

- Leaves of trees and plants in lots of different colours
- A hole punch and/or a figure punch

Why?

Of course, confetti is very festive but very bad for the environment. That is why we are making confetti with nature.

Step 1

Go outside and collect leaves in as many colours as possible.

Be sure to use leaves that have already fallen to the ground.

Step 2

Punch away!

Use your hole punch or figure punch to make holes in the leaves.

Step 3

Empty the chamber of the hole punch and tadaaa there is your organic confetti.

Tip!

With the figure punch, you can make various little figures.
It's even more festive!
